

ORDER SUMMARY

Synthetic radiology request for chest imaging. Reason: persistent cough in a mock outpatient note. Priority: routine. No real patient data is present.

CLINICAL DETAILS

History contains dry cough, mild wheeze, and normal oxygen saturation. Compare this page to the following page: it is visually similar but has scan shift, skew, noise, and a synthetic received stamp.

ORDERING PROVIDER

Provider: Dr. Synthetic Example, NPI: 0000000000, Clinic: Demo Health Processing Lab.

SAFETY CHECKLIST

Pregnancy status: not applicable in this synthetic record. Contrast: none. Previous imaging: none listed.

# Radiology Requisition - Synthetic

SCAN A

Patient: Synthetic Patient D    MRN: SYN-0004    Encounter: 2026-04-19    Doc: IMG-D-018
