

Discharge Instructions - Format A

Patient: Synthetic Patient E | MRN: SYN-0005 | Encounter: 2026-04-20 | Document: DC-E-020 | FORMAT-A

After Visit Summary

REASON FOR VISIT

This synthetic document describes evaluation of a mild cough and throat irritation. It is designed to contain the same wording as another page while using a different layout.

WHAT WAS REVIEWED

The clinician reviewed mock vital signs, an example medication list, an allergy field marked none known, and a synthetic history of symptoms. No real clinical encounter is represented.

HOME CARE TEXT

Drink fluids as tolerated, rest, and use the demo inhaler instructions only as placeholder chart content. Contact the synthetic clinic if mock symptoms worsen or if the sample follow-up date is missed.

FOLLOW-UP

Follow-up appointment: Demo Primary Care Clinic on 2026-04-28 at 09:30. Reference number: SYN-FU-4481.
